Loss of Value 2005 Honda CR-V SE 4WD 4D Wagon

AS Request: 29234793

- The values in the N.A.D.A. guide assume a vehicle in clean condition. Appropriate deductions should be made to put a vehicle in salable condition.
- Special Note on Older Vehicles: N.A.D.A.'s editors believe that most optional equipment has little or no value on older vehicles. This is especially true of options that cost relatively little to begin with and which deteriorate with age or use.

o Other Adjustments or Comments

- Autosource has revalued the loss vehicle with revised modifiers, as reported by Matthew Foley on 07/29/11.
- There has been no significant depreciation of the loss vehicle's value since the actual date of loss.
